To: NIEHS NICEATM

Please consider the attached c.v. for nomination to the independent scientific peer review panel to assess the validation status of in vitro tests and integrated non-animal testing strategies proposed for identifying eye injury hazard potential of chemicals and products. (77 FR 41406). I have previously served on SACATM (2005-2009) and was past-president of IVAM specialty section of the U.S. SOT.

Thank you.
